

Notice Inviting Expressions of Interest

Kuwait Energy Iraq Limited (KEIL) on behalf of itself and as agent for its Consortium Partners, intends to commence the development work in the Siba Contract Area, located in the Basra Governorate, approximately 30 Km Southeast of Basra City, Southern Iraq. The development work will cover drilling of wells, construction and installation of gas processing facilities, pipelines, and other work requirements. It is anticipated that the development work will commence from December 2011 onwards, subject to availability of necessary resources.

KEIL invites reputed contractors to pre-qualify for providing following equipment / services for petroleum operations in the Siba Gas Field:

1.	Onshore 3-D Seismic Acquisition and Data Processing.
2.	Geophysical and Geotechnical Surveys.
3.	Drilling Project Management Consultancy Services.
4.	Onshore Work Over Rigs.
5.	Onshore Drilling Rigs.
6.	Rig Inspection Services.
7.	Drilling Waste Disposal Services.
8.	Supply of Fuel and Water.
9.	Communication Services.
10.	Supply of Safety Equipment and H2S Detection Systems.
11.	Well Logging Services including CBL, VDL, Gamma Ray, Caliper, Resistivity, Porosity (Neutron, Density and Sonic), MDT, VSP, Fishing & Back Off Tools, Pressure Gauges, Perforation.
12.	Directional Drilling Services including MWD, LWD, Mud Motors, Gyro.
13.	Mud Engineering Services: Supply of Mud Chemicals, Mud Engineering Services, Centrifuges and Filtration Equipment.
14.	Mud Logging: Mud Logging Unit and Crew.
15.	Drilling and Fishing Tools Rental Package.
16.	Coil Tubing and Nitrogen Services: Provision of Coil Tubing and Nitrogen Services for Well Stimulation.
17.	Casing and Tubing Running Services: Handling Equipment and Personnel for running of Casing and Tubing.
18.	Coring Services and Core Analysis.
19.	Supply of Wellheads and Christmas Trees.
20.	Supply of OCTG : Various sizes of Casing Pipe, Tubing and Line Pipe.
21.	Inspection Services for OCTG.
22.	Casing Accessories, Float Shoe, Float Collar, etc.
23.	Supply of Drill Bits: Various sizes of TCR and PDC Drill Bits.
24.	Cementing Services: Supply of Oilwell Cement, Cement Additives, Cementing Accessories and Cementing Services.
25.	Slick Line Services: Slick Line Unit, Tools and Crew.
26.	Completion Equipment and Services: Liner Hangers, Packers, Gas Lift Mandrels and Valves, other Completion Equipment.
27.	Permanent Downhole Gauges: Provision of Permanent Downhole Gauges and its Accessories for Reservoir Monitoring.
28.	Well Testing Services: Drill Stem Testing, Test Tree, Surface Well Testing Package, Bottom Hole Sampling Equipment, Bottom Hole Gauges.
29.	Logistics Services, including Freight Forwarding, Customs Clearance and Documentation, Transportation, Hiring of Cranes, Forklifts, Trucks, Trailers and Supply Base / Warehouse Management.
30.	Civil Services – Well Site Preparation, Construction of Drilling Pads, Road Construction.
31.	Security Services at the Siba Gas Field.
32.	Front End Engineering and Design (FEED) Studies, Detailed Engineering, and Project Management Consultancy Services.
33.	Construction, Installation and Commissioning of Gas Processing Facilities.
34.	Installation and Commissioning of Pipelines / Flowlines.
35.	Insurance for Operations.

The parties interested to provide the above equipment / services are required to meet the following pre-qualification criteria:

- Successful track record of performing similar services for other Operators / National Oil Companies in Iraq.
- Legal and professional documentation that enables the company to work in Iraq, including company registration, company license, and other relevant documents and accreditation.
- Availability of requisite resources (equipment and personnel) with delivery schedules conforming to the project schedule.

Interested parties may submit their Expression of Interest to participate in the forthcoming tendering process along with contact details and necessary documents ie: details of proposed equipment, past experience in Iraq, clients list, proposed equipment / service, availability schedules, Health Safety and Environment Management System with accident/incident records for the last five years, Quality Management System, and financial details for the previous two years to establish their qualification on the basis of the above criteria.

Expressions of Interest are to be submitted within 15 days of publication of this advertisement to :
